This is our Nursery, welcome to all!
come in, **hang** up coats
by your name on the wall.

Children and teachers' names AND faces

Julie is our teacher, she's calling our names,

Milly sits down beside number games.

The counters, abacus & peg boards are fun,
Shelly counts backwards from 4 to 1.

Stacey helps Ria count up to 10
when they get to the end they
do it again!

Alfie sits quietly **reading a book,**
Kim and Wally say,
“we want to look,
at the faces and names of all of our friends,
on page after page to the very end.”

The craft table is laid out
with cutters and clay,
Marley rushes over and sits down to play.

Rolling, squashing and cutting out shapes,
Yuka makes clay sausages
into clay snakes

Esme presses and moulds the dough.

Nyla sets the shapes out
row upon row.

With circles, diamonds
and four sided squares,
Alice sorts them, puts them in pairs.

“Snack time” shouts Charly,
who claps her hands loud,
“slow down Cooper,
no need to crowd.”

There are apples, oranges, other fruits too,
the children wait patiently in a queue.

Shona takes hold of a big juicy pear,
sits down at a table, pulls up a chair.

As she takes a huge bite
she thinks "these pears taste yummy"
as the fruit disappears into her tummy.

As they all go outside,
Harry spins *round* and *round*
with Sarah and Stacey
in the playground.

**Phoebe on the scooter,
Callum on the bike,
Tunde and Thomas on their favourite trikes.**

George and Monty are looking at the clock,
learning where the big
and the little hands stop.

**Katie and Trudy learning
alphabet letters.**

**With practise they slowly
get better and better.**

Freddie and Fleur join in the game,
learning the letters that make up
their names.

In the instrument corner
Josh **bangs** a drum,
Lilly blows a flute, says
" music is fun ".

Harvey takes a musical line
with all the children to circle time.

Kirk marches along
to their Nursery's favourite song.

After Kim's story there is time for a song,
Ella and Archie both sing along.

Charlotte quickly jumps ^{up} from the floor as Chris lets parents in through the door.

**It's time for goodbyes,
Kareem and Eva agree
that 'Broombank' is the best...
oh yes indeed!**

**With learning through play
and making new friends,
Charley hopes that our Nursery days
never end.**

The end.

A Day at 'Broombank' Nursery

At Nursery, we learn all sorts of things. From fun number games to alphabet names, making clay shapes into clay snakes. The children lead a musical line marching over to circle time. Riding bikes, racing trikes, fruit eating, drum beating, jump up from the floor, parents at the door. We may wave you goodbye at the end of the day, but a lifetime of memories are made this way.
