I am Greg and meet Harrison Tyler, Boris and Calvin.

We four love football and make a team names Greg FC. I'm the captain and Boris and Tyler are in midfield and also meet Jackson, Jack, Ryan, Carson and Frank. Nine teammates.

In this game, I and Jason are in forward, Boris is a captain, not me today.

Tyler and Carson are in midfield and Frank in goal. And we have two players in loan: one called Tim and the other called Bronze. We are going to play against Italy Lazio City.

It is a little hard but I know lots of handy tricks to trick Fower win: Italy Lazio City goalkeeper.

I hope you enjoy it!

## Chapter 1

Afternoon in May is perfect for football training. I was thinking what is our next but first game.

And after one hour Boris came running into Greg's garden. And said: good new, we are playing on Wednesday so we have two day to the match!

So I called my team for a training session two times a day for one hour.

I asked Layin to train with us so we started with some basic drills like a pass and drag back. And next we followed Layin.

He went left, right, forward and diagonal, left and right, and downwards and finished with a match. Carson scored the winning goal two minutes

before full time. Ryan scored for Carson's team and Tyler scored for my team in second minute.

It was seven o'clock and the games it is starting in five hours in Rome on Roman Lazio City Stadium.

We drove to the airport and went to the waiting room and had three hours into the game starting. I wanted to get to Rome in two hours.

When we got to Rome it was nearly game time, we had half an hour till the game started.

## Chapter 2

Twenty minutes later Greg and his team were on Roman Lazio City Stadium and 102, 014 people on the stadium. Five minutes later the referee called out Italy Lazio City .

Our came Brutus, Forvien, Fex, Winster, Francisco, Forwinsen, Forewin and Papa Goal. So I asked Layin to play and everyone was shouting: Layin! Layin! Layin!

The game started. Brutus passed the ball to Winnster but Tyler put his leg on the ball and passed the ball to Jason. Jason dribbled pass Fex, Francisco and Papa Goal and passed it to me. I mean Greg and shot it and hit the net. Goal!

Then Fex started dribbling pass Greg, Boris, Ryan and Tyler and passed the ball to Francisco and shot it but it hit the crossbar and to the right

to Carson and went maximum and speed 11 miles an hour and onto the left to Greg and passed it to Layin and Layin got confused what to do so he passed it to Tim and twisted and shot the ball with his left leg.

Gmrr! Said Fex and it went into the centre boom of the hands of Forewin and in to the net.

Supergoal! Said Greg and Bronze and t was half time for 10 minutes so Italy Lazio City player Fex called Are we losing 2-0 Not for long said Francisco and called Mitey, Mitey, Mitey.

Switch for Papa Goal so the second half began and Francisco passed it to Forewin and passed it to Mitey and shot and hit the far post and went in goal said Mitey.

It was 1:2 for Greg FC so as soon as Frank kicked the ball into the air Greg jumped it to get it mean the ball and it hit Layin on the head and to Carson and to Ryan but Forewin got it by hand and it caught it in the hands.

It was the 71 minute and Carson hit the net.

1:3 said Bronze so the Italy Lazzio City players worked to win the game and in the 88 minute Forwinster dribbled passed nearly the whole of Greg's team.

Ryan was last to do it so Forwinster shot it to the back of the net. Goal.

So to win Mitey went forward and got tackled by Tyler it was a penalty and it went in.

### Chapter 3

2:2 draw said Boris. What now? It is the sudden death the winner. The Italy Lazzio City players came to team talk.

We need a pleyer with another layer! Shouted Forwinster.

But who? Francisco! Said Fex. I got an idea. Francisco call on Cristiano Ronalds and he switched for Fex.

So sudden death began Francisco passed to Ronalds who passed it to Mitey, who passed it to Brutus who tried to pass it to Forwin but Typer stopped the pass and passed it to Carson and he shot towards goal but Forewin saved it and kicked it all the way to Mitey and Mitey passed it to Ronalds and went in the penalty box.

Ronalds was about to shoot but Greg side tackled. The ref showed a penalty for Cristiano Ronalds the ref's whistle blew.

Wow! Cried Tim happily. Frank saved it so Carson went forward and dribbled pass midfielders and striked it the penalty box.

Layin tried to hit but the goal went over is head.

But Boris appeared out of nowhere and did a rainbow flick over Forwin and slightly passed to Layin. Layin wanted to header but it was too high

The end

so Layin did a bicycle kick and it went flying to the left top corner.

Forewin dived to save it but the ball was too powerful to save and gooooooaaaaa!!!!!! Cried the commentators.

2 minutes later the ref said it's a win for Greg FC. The prize was 50 pounds.

The ref said the move of the match was Layin for his super bicycle kick so Layin could take it. Greg smiled to Layin and Yes, said Layin happily.

4 hours later at home Greg asked what would Layin buy Layin answered a Premier League match ball. You mean a Liverpool match ball? called Thomas, Gren and Layin's young brother. Yes, called Layin.
