# Chapter 1: Adventure Time

Ashley and Alexander were two dog siblings who lived with their father.

Two days after Alexander's birthday their father got kidnapped when he went to work. The father managed to call his kids to tell them that he had been kidnapped, just before the kidnapper stole his phone.

They set of to find their father. Alexander packed some snacks in the bag.

When they got their father's boat. Ashley said, "A wave is coming". The wave washed over them and they fainted.

Hours later, they woke up. They found themselves on an Island.

On the Island, there were kids playing in muddy puddles, flowers blooming and birds chirping.

They set off walking up a steep mountain covered with snow. Suddenly, a giant snow ball appeared. They ran and ran and entered a cave. There, Alexander found a key.

“Let us stay here for the night” Ashley said. “Ok!” said Alexander.

The next day, they went out of the cave. They walked through the bushes. They found a chest. To their surprise, the key they found in the cave opened the chest. The chest was full of weapons. They grabbed a few of the weapons.

## Chapter 2: Father is found

Ashley and Alexander got tired but they did not give up.

They finally reached a castle where their father was being kept. But the kidnapper had set up some booby traps.

Alexander used the weapons they found on their way. These included vision goggles to tell Ashley where the traps were so that he could watch out for them. Alexander tried to jump over the booby traps but he was too fat. He told Ashley to try but it did not work.

Ashley remembered that she still had other weapons. She used them to help get through the booby traps. Luckily, they both got into the castle.

They opened every door in the castle but their father was not there. Alexander saw a cell. He opened it. His father was there. They were so happy to see him again.

On their way home, Ashley and Alexander told their father everything that happened on their adventure to come and find him. He was very proud of them.

We hope that you, your family and friends enjoy the book you have created. This project was co-ordinated and facilitated by author Nikki Young for members of her Storymakerswriting club.
