Chapter 1

Ace was just minding his own business when he suddenly heard a noise, a loud one which almost brought the house down, and ace sprinted out of his room to see what was going on, but to his surprise, he couldn't find any of his family! His mum, his brother or his dad!

He ran outside but found out that nobody else was around...

Chapter 2

Wondering what had happened to everyone, Ace ran into his school and there he saw his science teacher holding the mythical HyPerion.

“Sir!” he shouted. “Why and how are you holding the thing that keeps the sun from exploding?!?”

“Silence Worm!” said the teacher, as a giant blast was sent from the HyPerion and Ace just couldn’t catch his breath. He passed out.

Chapter 3

Later Ace woke up in a cell with wolves that seemed to be glitching all over the place, teleporting around randomly. His science teacher appeared and spoke.

“I am Professor Ted, the most intelligent man on earth, and I have used my immensely large brain to summon the HyPerion. However, you have information that I don’t have yet and I would like you to tell me everything you know!” he yelled at Ace so loudly.

“I don’t know anything!” Ace yelled, and Ted shook his head in disbelief.

“If you don’t speak up right now, I’ll feed you to the wolves,” the Professor said.

“I seriously don’t know what you are talking about, but it has nothing to do with me!” Ace again shouted.

“Very well, the wolves it is.”

As the wolves began to draw closer, Ace noticed a hairclip on the floor and with a lot of effort, he managed to pick the lock and sprint out of the school science lab. Unfortunately, the school gate was locked and Ted soon approached behind.

“You have nowhere to escape, you’ll need the key card to get out, and only I have the key card! HAHAAHAHA! You’ll just become like the others,” Ted said.

“The others?” Ace asked.

“Yes,” replied Ted. “The people who knew you before this morning, such as your family, your friends, your other school teachers and everyone else you knew, are fighting to the death right now to get their greasy hands all over my new toy,” he explained.

Chapter 4

After hearing this, Ace jumped up, grabbed the HyPerion, and started climbing. After he got over the gate, he used the HyPerion to fly off. He started flying, but dropped the HyPerion and it landed right in Ted's hands.

“I'll get you next time boy!” exclaimed Ted.

Chapter 5

Ace landed and seconds later, his brother, Joe, appeared behind him.

“Joe! I’m so happy to see you!” said Ace. “Do you want to play some sma...”

Ace was interrupted by Joe, who punched him in the head and yelled. “DIE YOU STUPID WORM!”

Ace soon realised that Ted was right. Everyone wanted to fight, so Ace had to defend himself!

“NEVER!” screamed Ace. And off they went

Luckily, Ace was the victor and Joe fell unconscious. After a few minutes, Joe woke up.

“What happened?” asked Joe.

“I have no idea!” replied Ace.

And they both walked off together.

Chapter 6

The Final Showdown

After playing smash and training to fight for 3 weeks, Ace sprinted back to the school to challenge Ted to a final showdown.

Ted accepted this request and instantly started on the offensive, shooting fireballs out of the HyPerion, with Ace just narrowly dodging them. Ace ran up to ted and began fighting in a similar way to Sonic in Super Smash Brothers Ultimate, running in to attack and back out for cover. He then did a very risky play by pretending to be hit by a fireball and playing dead, and somehow, it actually worked! Ted started to walk away but Ace got up, ran at Ted, grabbed the HyPerion, and threw it.

Chapter 7

Welcome home

After Ace threw the HyPerion, a figure appeared in the sky, it said,

“Hello Ace, I am the god Flarronus, and I am here to say thank you for returning the HyPerion to us. To thank you, I shall grant you 3 wishes, and the only rule is that you can’t wish for more wishes.”

Ace thought and thought and thought some more, and these were his wishes:

1. He wished for there to be a gaming subject at school.
2. He wished to be the world’s best Sonic main in smash bros.
3. And lastly, he wished for everyone to be back to normal.

This story is set in a big city where Professor Ted has managed to summon the mythical HyPerion and has made everyone go into a huge battle royale to get it, where the only one who would survive would be Ted...

However, Ace (the main character of this story), has a bit of experience from playing video games such as Smash Bros, Fortnite and even Brawl Stars. He has also read books such as Skulduggery Pleasant and Percy Jackson, so he can tell who is behind all this, and how to fight and win.
