Chapter 1

One sunny afternoon in a faraway land, a beautiful princess named Twinkle was playing in the garden with her pet bunnies.

Princess Twinkle was known for her kindness, bravery and beauty. She loved to see her friends happy.

While she was chasing the bunnies, she heard a very soft muffled cry. Curious, Princess Twinkle wondered where it came from.

As she searched, she came across a sad tree with a tiny door at the bottom of its trunk. The door had a sparkling pink welcome sign that said "Welcome to Fairy Land".

Princess Twinkle found a golden key and when she used it on the door, she shrank and was pulled into a magical, colourful fairy land.

She had never seen this before and she was shocked and in awe of this tiny, beautiful place that had pink grass and purple trees with two rainbows in the sky.

Chapter 2

The cries were getting louder, and as she followed the sound, she came to a small castle that had lost its colour. All the tiny fairy huts around the castle looked pale too.

Suddenly tiny, scared voices cried out, “Oh kind Princess, please help us!”

“Oh dear, what has happened?” asked the Princess anxiously.

“The wonky Wicked Witch put a spell on our Fairy Queen Sparkle and she has lost all her

powers!” Queen Sparkle is now stuck in the castle and needs our help,” explained the fairies.

“Oh no! How can I help the fairy queen?” asked the Princess.

“Fairies can get their powers back from the magical flying unicorn, but we cannot fight the witch to get to the unicorn without our powers.” said the tiniest of the fairies.

“I will fight the witch and bring the unicorn for the Queen Fairy!” exclaimed the brave Princess.

“The witch lives in a dark, dingy cottage at the edge of the Fairy Land; nobody has ever been there before!” said another fairy with a shiver.

Chapter 3

Starting on her journey to the witch's cottage, Princess Twinkle wondered how she could defeat the witch.

All that she knew about witches was that they are grumpy, unkind and have magical wands that have magical powers.

“Oh wait, I have an idea!” said the princess to herself.

Chapter 4

When she finally arrived at the cottage she hid behind the bushes and waited until it was night.

When the moon came out, Princess Twinkle tiptoed to an open window and peaked inside. Snoring in her rocking chair by the fire, was an old, grumpy witch. The Princess spotted the wand hanging on the wall above the fireplace.

Taking a deep breath, she climbed onto the window. Using a small stool Princess Twinkle reached for the wand on the wall. Just as she grabbed the wand, she tripped and fell making a loud BANG! The Witch woke up shocked, and angry, she tried to catch the princess. But the clever princess wasted no time and broke the wand with all her might and threw it in the fire.

“NOOOOOOOOO!” cried the Witch.

As the wand burned, the Princess saw the magical unicorn appear in front of her; she quickly got on the unicorn.

The Witch tried to stop them, but the unicorn did a mighty “swoosh” that sent the Witch crashing onto the dining table.

Chapter 5

The Princess and the unicorn flew back to Queen Sparkle and the fairies.

“Oh Princess, you did it!” shouted all the fairies.

The unicorn’s magic freed the Fairy Queen and all her powers were returned.

Princess Twinkle saw that all the pale fairy huts were changing into beautiful colours and Queen Sparkle’s castle now returned to a happy pink.

Chapter 6

That night, Queen Sparkle had called for the biggest party ever in honour of the brave Princess and invited everyone in Fairyland – except the wonky wicked Witch.

Next morning, Princess Twinkle returned to her garden magically growing back as she walked out of Fairyland.

As she saw the beautiful, green tree, she knew that she would be friends with the fairies forever.
