Hello I am Cammy! 😊

I am 15 years old!

My sister Aquapella is at Beauxbatons school of Witchcraft and Wizardry (where I will soon be too!).

I am so excited about going to Beauxbatons, but not about being in the same school as my sister - she's so annoying!

My bestie, Verity Brown, is going to school with me.

I drew a picture of her below. I'm not a very good artist but I tried my best.

I'm going to make such good new friends. My sister, Aquapella, is a selfish brat. She pretends that she rules the world. She is at Beauxbatons right now and it is so unfair that she got to go first! We are the same age (she is my stepsister if you didn't know). When Aquapella got her place at Beauxbatons, my stepmother said I couldn't go as well - she sobbed, "It would be too sad to lose both of you! 😞."

I have to pack my trunks for school by the way. Verity is coming here, omg she's here! **BE RIGHT BACK!**

Hi guys I'm Verity Brown 😊.

I have my trunk with me and I'm all ready to go!

Omg speaking of trunks I must pack mine!

Ok let's do this.

14/02/22

I woke up at 5 am. Omg I was so tired....

"Morning Verity," I yawned.

"Morning," Verity mumbled. We slowly got dressed into our uncomfortable uniforms and then... ugh my stepmother of course she just had to come into the room.

"Awwwwwwwh! My little Camryn is all grown up my Cammy boo boo bear aww, and Verity how cute! I need to get a picture of this!" my mother exclaimed. Could she be any more embarrassing?

Close by, my dog, Gizmo, was looking at me curiously.

Me and Verity brushed our teeth and did our hair. I gazed out the window and saw a gorgeous carriage with beautiful, blue butterflies hovering around.

We got our suitcases, and we were finally off; I was not excited to see Aquapella.

Anxiously, we went into the carriage. I tried to ignore the fact that my mum was waving at me from out the window and blowing me kisses. All the girls were giggling.

A girl with ocean blue eyes and silky, smooth blonde hair looked at me and then in the blink of an eye everyone else was looking at us too! We tried to pretend we didn't know that they were staring at us, although it was pretty hard to ignore.

"You know you don't have to ignore us we love new students in our school," said the blonde girl. "I'm Fleur by the way!" she smiled.

We told her our names and soon enough we knew everyone's names. There was Jay, Madeline,

Georgina, and Loredana. I'll draw them. I wondered what Aquapella was doing here in the carriage she was a PERFECT. I was shocked so I completely ignored her.

The girls were astonished to know I had an iPhone 6s Pro but actually I am Muggle-born and lots of us muggles have iPhones.

The girls looked very different, some had long dresses, but Jay and Madeline had short ones and hats.

Verity was confused about their outfits... aren't all of the uniforms supposed to be identical. BACK TO AQUAPELLA- HOW IS SHE A PERFECT? I DON'T WANT HER BOBBLING ME ABOUT!

"Oh, and over there is my best friend Aquapella she became a prefect this year. Madame Maxime only chooses a few people, and she was chosen but um last year it didn't go well for her. She stole all the presents in the school!" Fleur told us.

"I know, she is my sister." I rolled my eyes.

Omg my ink is running out.

Omg PHEW luckily, Fleur had a quill in her pocket all our other quills are deep in our trunks.

Hayyy I am Fleur! What is up?

Back to the story lol.

Before long we were at Beauxbatons. It was stunning! We saw a giant swimming pool, a huge moat, like a lake, around the school, it was so beautiful - baton flowers everywhere, blooming, blue butterflies. We were OMG!NG at the tops of our lungs. Nevertheless, we were anxious and PETR!F!ED.

We went inside the immense school and OMG!  
Inside was a big winding staircase with a diamond railing and on the other side was another staircase and if you looked up you would see a dazzling chandelier.

Aquapella and another prefect who forced us to call her Ms Maisie and to call Aquapella Miss Aquapella

UGHHHH my sister is M!S!S AQUAPELLA. "We were all like yes Miss Maisie." in a gloomy voice.

Maisie {obviously I am not calling her Miss Maisie} led us up to our dorm safely so we wouldn't get up to mischief. It was a beautiful blue room with beds made of gold, and soft silk bedding. Curtains hanging from the beds. The sun beamed through the window at us as the clouds danced all around the sky.

"GUYSSSSSSSSSSSSSS WAKE UP YOU SLEEPY HEADS!"

"WAKEEEEEEEEEEEEEEEEE UP!" ok that's good they're awake!

So I got the newspaper I'm going to show them it's shocking. THERE'S BEEN A MURDER!

The girls jumped out the bed and screamed.

"WHERE?!" Fleur screamed

"Oh, it's in the newspaper not here," I giggled.

The girls gathered round me to look. AHH CAMMY IS TRYING TO GET THE BOOK!

Thank you...holy cow!

### MURDERER, AVRIL, ESCAPED FROM AZKABAN

EARLY THIS MORNING, A MURDERER ESCAPED AND IS MAKING THEIR WAY TO BEAUXBATONS. AVRIL LESTRANGE WAS FORMERLY KNOWN TO HAVE MURDERED STUDENTS AND STAFF OF

**BEAUXBATONS. THE MINISTRY OF MAGIC IS TRYING TO FIND AVRIL AT THIS VERY MINUTE. IT IS EXPECTED THAT SHE WILL BE SWIFTLY CAUGHT.**

"Omg I'm not reading that anymore! We have to tell the teachers!" exclaimed Loredana.

"Ummm can we just rea-..." There was a scream from downstairs followed by more screaming.

"HIDE!" demanded Georgina.

Me and Verity ran down the stairs to peek but there was nothing there.

Aquapella screeched at me in a high-pitched voice "WHAT ARE YOU DOING OUT OF BED THIS EARLY!?"

"The same as you are, snooping around," Verity whispered. My sister eyed her crossly and Verity went pink and blushed.

"I heard screaming!" we said at the same time.

"Well, I will inform Madame Maxime and we the prefects will deal with it. Now get out of your pyjamas at once, it's nearly 7:30 and you'll be late for breakfast!" Aquapella exclaimed.

Hayy guys it's Verity I just will be writing in this for a few days. Right now, me and the rest of my dorm are eating breakfast (royal berry pancakes, my fav!)

Fleur says "Bonjour."

(We are french but speak English).

"Ca-va Fleur?" I asked.

"Bien merci, et Verity, comment allez-vous?"

"je vais bein merci," I replied.

Lol told you I was french. Oh I'm so sorry we have to do our important tests that will decide our jobs in the future.

7 hours later!.....

I AM GOING TO BE A HEALER!!! WOW

18/02/22

Um hi diary, there is a bit of a problem. Me and Cammy just woke up and the other 4 girls aren't here and umm the window is open, but how would they climb out the window? They would fall to their death, and the dorm is

locked by Aquapella so the broomsticks are upstairs. I SERIOUSLY DON'T KNOW WHERE THEY ARE!

I'M FREAKING OUT GUYS WHERE ARE THEY ON wait.... COULD THIS BE SOMETHING TO DO WITH AVRIL? SHE MIGHT HAVE GOT INTO THE SCHOOL... I THINK.

Ummmm should I tell Aquapella what I think.

Now I'm just going to talk to you guys so basic-  
AHHHHHHHHHHHHHHHHHHHH HELP ME.

1 hour later....

"I'm back Verity! Where are you!?" I wondered.

"Probably in class," I sighed and played on my phone.

All the time I was wondering where the girls went.

Hours passed....

Nobody was back, not even as the clock ticked past midnight. I knew I should stay awake as I had the creeps that this was Avril's doing. The girls would never just disappear like this.

19/02/22

I went out with Aquapella before herbology class to see if we could find any sign of our missing friends.

We looked for ages and we found our way into a dark damp cave in the school grounds.... We followed a strange sound and came across Madeline, with blood over her and she was choking! We helped her up and Aquapella went to get help and inform Madame Maxime.

I couldn't help moving and I felt like I had to look around the cave.

It was dark and my footsteps bounced off the walls. I heard footsteps, not my gentle footsteps, but somebody else was in there. I could not see a thing. I turned around and saw Madame Maxime our headteacher with her mouth zipped! She seemed to be trying to make me rapidly run away.

I heard the shouts of Aquapella trying to find me then everything went silent.

So, I have found Madeline ✓

I have found Madame Maxime. ✓

I still need to find Verity and Goergina, Tay, Fleur and Loredana ughhhhh!

## I AM FREAKING OUT!

All of a sudden, a hand reached out and dragged me out of the cave.

It was Aquapella, Madeline and a few other prefects followed by Madame Maxime who was slowly recovering. They had news for me, and now I really wished that we had a hope of finding the girls!

"Well Camryn, I have some terribly sad news for you. Unfortunately we found Tay, on the school quidditch pitch, she has been murdered! No one saw how she got there. Also, we have some more news - we found Verity, she has been hurt but she will be

ok, she is recovering in hospital," Tilly Mae, one of the prefects told me.

"Now, we want you to go inside and stay safe while the staff and prefects try to put a stop to this."

As I wandered back up to the school, I turned a corner and right in front of my eyes saw a thin and scruffy lady in black cloaks creeping around suspiciously. I wasn't able to see her face.

Cautiously and quietly, Madame Mystique crept up behind her and banged her on the head with a frying pan and she was knocked out!

Quickly, the school called the Ministry of Magic who confirmed that she was ~~AVRIL~~ the murderer! This evil criminal had murdered Jay Visuo and kidnapped many!

I dashed up to the ~~SCHOOL~~ to check on Verity!

Everyone was saved. Madame Mystique and the boys quidditch team went to look for the others on their brooms.

2 months later!

Hallo it's Verity I have finally recovered from Avril's attack, and just like that it's time to go home 😊.

"Bye," I waved to the school.

"Come on, we're going to miss the carriage back to your house!" I moaned to Verity (and yes, I was going to stay with her for the holidays.).

We hopped on the carriage and finally we were heading to Verity's mansion with our suitcases clutched in our hands. Avril is now locked up in Askaban.
