It was a lovely winter's afternoon and there was a blanket of snow laid on the ground with silhouettes of previous snow angels. The orangey yellowy sun slowly fell into the horizon while long pointy icicles were dangling from roofs like razor-sharp spikes.

Marc was a lovely person who was always assisting the elderly. He was kind, caring and very fearless. Marc lived at 33 Payston Avenue. But now where this story begins, he was not at home. As a matter of fact, he was at the world-famous O2!

While he was sitting in row G, he was watching Mary Poppins the musical. He was then called up at the finale to fill in for one of the actors. At that moment, when they

did the bow, his iPhone slipped right out of his back pocket and straight onto the floor of the stage. But because his phone case was very soft, he could not hear it when it dropped.

When the show had finished, Marc was going to call a taxi home but when he reached into his back pocket, he found nothing but his wallet. He dashed back inside the O2 to find darkness. He could not

see a thing, as there was a spotlight shining on him.

“Now, the Show Us Your Talents final contestant is...” boomed a loud voice.

Marc was frozen. In his head, he knew this was the voice of the one and only TV presenter... Terry Crews! He had found himself on the stage of a talent contest but he did not know what he was supposed to do. He tried to say something or at least move! Terry and the audience were staring at Marc, poor guy. Marc started to dance; the crowd began to boo.

“boo”

“boo”

“boo”

He tried to do the worm! EPIC FAIL!

Finally, Terry told Marc what he was

supposed to do and Marc began to sing!!

Not just any old singing! He sang Tomorrow

by Annie (even though that song is old). And

the crowd went wild!

“Oh, thank you, well as you can see, I just came here for my-“ Marc tried to explain, but before he could say ‘my phone’, Terry had some important news to announce!

“So, hello Great Britain, a lucky man or woman or dog is going to become a celebrity today! You all voted for; drum roll please!”

There was a long silence as the drums began to beat.

“The guy who sang Tomorrow!” announced Terry.

“My name is Marc!” shouted Marc.

“Oh, ok then Marc!”

Everyone cheered except Marc. He was shocked! The prize was fifty million dollars! What would he do with all of that? Donate it to charity? Go on an amazing holiday? Buy a new house? Get a new iPhone?

Marc happily walked off with 50 million dollars and a new house that he just bought! He was about to call a taxi to take him to the Ferrari store to buy a Ferrari because he

didn't have one, but once again his phone was not in his back pocket.

Obviously, he didn't care anymore because he was rich and he could buy a phone whenever he wanted, so he walked over to the Ferrari store instead. There were many colours available but the one that caught his eye was the golden Ferrari.

Marc also decided to get a new phone to match his car (not from the Ferrari store). So, he drove over to the Apple store (not the type that you eat but the company). However, he thought about it and decided not to waste any money, so instead, drove back to the O2.

There were paparazzi everywhere, so Marc drove through them (not literally through them, they moved). Terry Crews was inside just helping to pack up from the show at the same time Marc came in. Marc ran up to the stage to find his phone right where he left it! Feeling thankful, he picked it up and said good night to Terry and everyone else.

Marc drove to 1 Avenue (his new mansion). He got ready and went to bed to sleep, but something was just not right. He didn't feel at home in this big mansion. It wasn't what he was used to, he missed his comfortable bed and all the familiar surroundings. He shot out of bed and rushed back home (his real home).

We hope that you, your family and friends enjoy the book you have created. This project was coordinated and facilitated by author Nikki Young for members of her Storymakers writing club.
